

SENSORY GARDEN

ACTIVITIES

FOR CHILDREN OF ALL AGES

--Can you find the **LAMB'S EARS**? Touch them. How do they feel?

-- Do you see any **BUTTERFLIES**? How many? What color are the butterflies?

-- What color are the **PINCUSHION** flowers?

-- How many **CONEFLOWERS** do you see? Why do they have a name like "Cone" flower?

-- The Egyptians first used the **PAPYRUS PLANT** to make writing paper. Can you find this plant in the garden?

-- Find and touch the **ROSEMARY** plant? How do you like the smell of the rosemary? Did you know that rosemary is used to flavor food?

--Find the **LAVENDER** plant. The smell is very likable and lavender is used to make soaps and perfumes.

--Can you find the **HORSETAIL PLANT**? Hint: Look near the water garden.

--How many lizards can you find in the garden today?
